

For your final project, you will create a six page responsive website on a subject of your choosing. This site should look highly polished at any screen size—you will most likely need to use more than one media query.

Grading – 60 points

Content – 20 points

- Clear purpose
- Ample relevant material
- Concise and well-written
- Logically organized

Design and Layout – 20 points

- Compliments content
- Consistent look and feel
- Good use of typography and spacing
- **Highly polished**
- **Flexible layout**
- **Designed for all screen sizes**

Code and Technical Details – 20 points

- Correct and complete
- Clear, consistent, and logically organized
- Appropriate file structure
- **No pixels except for media queries, calculations included as comments**

Grading Scale

20	Excellent
18	Very Good
16	Satisfactory
14	Acceptable
12	Poor
10-0	Unacceptable

5 points will be deducted if you are absent for the final critique. **Please note that the critique is from 3-5pm on Friday, December 12.**
